

A NEW ZEALAND PRAYER BOOK

NEW!

The much praised New Zealand Prayer Book – He Karakia Mihinare o Aotearoa was first published in 1989.

That original edition is now out of print and the Common Life Liturgical Commission has given GENESIS permission to print this new edition, incorporating the changes authorised by the 1998 General Synod.

Printed in 2 colours, it has ribbons sewn into the hand stitched binding.

And it is printed on durable bible paper so it is thinner (25 mm) and lighter (600gm) than the original edition.

RAISING MONEY FOR THE CHURCH

A practical and innovative guide to help parishes raise the money they need to fund Christ's mission.

The author encourages church leaders to follow a process that helps them to:

- Define and design their Vision for Mission
- Share the Vision with the people of the parish
- Identify the potential supporters
- Design and implement a fundraising strategy

Genesis Publications

As a Parish Priest I grew tired of using Anglican resources from the other side of the world. I wanted our Christian Education resources to reflect our unique situation in this Southern Hemisphere.

Fortunately, a significant number of clergy and teachers agreed with me and, over the past 20 years, Genesis Publications has gone from strength to strength. So much so that we now export our products to the United States and the United Kingdom and our resources have been translated for Anglicans in China and Japan.

Our mission is to service the parish ministry by providing high quality Christian Education resources at an affordable price. So we encourage parishes and schools to buy in bulk so that they get the same wholesale prices as Bookshops.

THE CRADLE ROLL

Hundreds of parishes throughout Australia and New Zealand use our Cradle Roll Cards to contact children and parents on the first 5 anniversaries of a baptism. We suggest you also send a letter giving parents basic information about their child's faith development and reminding

them that the support of the local parish is always there.

The 5 cards and mailing envelopes and a booklet of sample letters are all contained in an attractive folder which doubles as the Programme administration folder.
